

Certificate of Approval

This is to certify that the Management System of:

Sener Aeroespacial S.A.

Avenida Zugazarte 56, 48930 Las Arenas, Vizcaya, Spain

has been approved by LRQA to the following standards:

ISO 9001:2015

Approval number(s): ISO 9001 – 0041092

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Engineering services for studies and projects, including design, production, integration, verification, validation and logistic support of activities, equipment and systems in the fields of space, defence, science, broadcasting and air traffic control besides installation in the field of broadcasting.

Paul Graaf

Area Operations Manager, Europe

Issued by: LRQA Limited

Certificate Schedule

Location	Activities
<p>SENER Aeroespacial, S.A. Avenida Zugazarte 56, 48930 Las Arenas, Vizcaya, Spain</p>	<p>ISO 9001:2015 Engineering services for studies and projects, including design, production, integration, verification, validation and logistic support in the following type of activities, equipment and systems: structural, mechanisms, electronics, optomechanics, control, analysis and simulation in the fields of science, space and defence.</p>
<p>SENER Sp. z o.o. Al Jerozolimskie 202, 02-486 Varsovia, Poland</p>	<p>ISO 9001:2015 Engineering services for studies and projects, including design, production, integration, verification, validation and logistic support, in the following type of activities, equipment and systems: structural, mechanisms, electronics, software, control, analysis and simulation in the fields of space and science.</p>
<p>SENER Aeroespacial, S.A. Carrer Creu Casas I Sicart 86-88 Parc de L'Alba, 08290 Cerdanyola del Valles, Barcelona, Spain</p>	<p>ISO 9001:2015 Engineering services for studies and projects, including design, production, integration, verification, validation and logistic support in the following type of activities, equipment and systems: structural, mechanisms, optomechanics, electronics, software, control, analysis and simulation in the field of science.</p>
<p>SENER Aeroespacial, S.A. C/ Severo Ochoa 4 Parque Tecnológico de Madrid, 28760 Tres Cantos, Madrid, Spain</p>	<p>ISO 9001:2015 Engineering services for studies and projects, including design, production, integration, verification, validation and logistic support in the following type of activities, equipment and systems: structural, mechanisms, electronics, actuation and control systems, flight, communication and avionics systems, software, control, analysis and simulation in the fields of space and defence.</p>
