

# Certificate of Approval

This is to certify that the Management System of:

## Sener Aeroespacial S.A.

Avenida Zugazarte 56, 48930 Las Arenas, Vizcaya, Spain

has been approved by LRQA to the following standards:

### **AS9100D (technically equivalent to EN 9100:2018, JISQ 9100:2016 and KS Q 9100:2018)**

This certification has been performed in accordance with the requirements of EN 9104-001:2013

LRQA Limited is accredited under the IAQG ICOP scheme

Certification Structure – Several Sites

Approval number(s): AS9100 – 00014212-001

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

#### **The scope of this approval is applicable to:**

Engineering services for studies and projects, including design, production, integration, verification, validation and logistic support of activities, equipment and systems, in the fields of science, space and defence.

**Marta Escudero**

Regional Director, Europe

Issued by: LRQA Limited
